

BERKEBILE

CLEAN BRAKE

- HEAVY DUTY NON-CHLORINATED FORMULA
- INSTANTLY REMOVES BRAKE FLUID, OIL, GREASE & OTHER RESIDUE
- IMPROVES BRAKE PERFORMANCE
- REDUCES BRAKE NOISE
- CAN BE USED WITHOUT DISASSEMBLING THE BRAKE UNIT

Berkebile Oil Company's NEW **CLEAN BRAKE** utilizes a brand new, high performance, Non-Chlorinated formula. It instantly removes brake fluids, oils, grease, and other grime from brake parts without leaving a residue!

Braking systems are sensitive to the buildup of residues from brake fluid, grease, oil and even moisture. This build-up can lead to serious issues as well as annoying brake noise and chatter. Berkebile Oil Company's **CLEAN BRAKE** keeps braking systems clean while also preventing brake noise and other issues.
